Please provide a short biography which includes your place of residence, background in art, previous exhibitions, and current artistic interests. You may also include a brief artist's statement to explain and/or contextualize your body of work. Please indicate whether or not you wish to receive a copy of the visitor comment sheet for your exhibit.

Please provide title cards for your work. The cards should include the title of the piece and medium.

If a piece is for sale, please include a price on the title card. The Town of Strathmore Municipal Library Board requires a commission of 20% on any work sold during the exhibition and prices should be adjusted accordingly. If a piece is not for sale or on loan from the current owner, please indicate this on the title card.

Please complete the attached list of works with the titles of all works in the exhibition, medium, size (if applicable), and value.

Please advise if you wish to install and/or remove the works yourself.

If the works are to be shipped to the library, all shipping costs are the responsibility of the artist. Please advise the library of the desired method of return shipping. Please advise if your insurance (usually an extension of your household insurance policy) covers work in transit. To allow temperatures to equalize and thereby reduce possible damage to the works, we will leave any art shipped to us unpacked for at least 24 hours.

The Library staff will take every care possible to ensure the security of the displayed works but liability is the responsibility of the artist.
