The Burning Page : An Invisible Library Novel

by Genevieve Cogman

Librarian spy Irene and her apprentice Kai return for another "tremendously fun, rip-roaring adventure," (A Fantastical Librarian) third in the bibliophilic fantasy series from the author of The Masked City.

Never judge a book by its cover...

Due to her involvement in an unfortunate set of mishaps between the dragons and the Fae, Librarian spy Irene is stuck on probation, doing what should be simple fetch-and-retrieve projects for the mysterious Library. But trouble has a tendency to find both Irene and her apprentice, Kai--a dragon prince--and, before they know it, they are entangled in more danger than they can handle...

Irene's longtime nemesis, Alberich, has once again been making waves across multiple worlds, and, this time, his goals are much larger than obtaining a single book or wreaking vengeance upon a single Librarian. He aims to destroy the entire Library--and make sure Irene goes down with it.

With so much at stake, Irene will need every tool at her disposal to stay alive. But even as she draws her allies close around her, the greatest danger might be lurking from somewhere close--someone she never expected to betray her. Coming in December 2016.

The Secret of a Heart Note

by Stacey Lee

Sometimes love is right under your nose. As one of only two aromateurs left on the planet, sixteen-year-old Mimosa knows what her future holds: a lifetime of weeding, mixing love elixirs, and matchmaking--all while remaining incurably alone. For Mim, the rules are clear: falling in love would render her nose useless, taking away her one great talent. Still, Mimosa doesn't want to spend her life elbow-deep in soil and begonias. She dreams of a normal high school experience with friends, sports practices, debate club, and even a boyfriend. But when she accidentally gives an elixir to the wrong woman and has to rely on the lovesick woman's son, the school soccer star, to help fix the situation, Mim quickly begins to realize that falling in love isn't always a choice you can make.

At once hopeful, funny, and romantic, Stacey Lee's *The Secret of a Heart Note* is a richly evocative coming-of-age story that gives a fresh perspective on falling in love and finding one's place in the world. Coming in December 2016.
